

Attachment 2

When submitting a doctoral dissertation in an electronic medium, follow the instructions below.

1. Electronic File

An electronic file is an original dissertation, but it is required to have the entire text in one digital data which can be easily printed out at once.

The dissertation should be composed of a front cover, a front page, an index and the main text. At the end of the main text, make a colophon which includes dissertation title, author's name and date of submission.

2. Front Cover and Front Page

The front cover and front page should be shown as the next page, "Book Form Dissertation".

3. Main Text

In the main text, add page numbers.

4. Colophon

In the colophon, indicate all the necessary information as follows;

Doctoral Dissertation, Kobe University

***** (Dissertation Title) ***** ", xxx pages

Submitted on Month, Day, 20xx

The date of publication is printed in cover of repository version published in Kobe University Repository Kernel.

© Author's name (Full name)
All Right Reserved, 20xx

【In case of submitting reference research papers, following list must be added. 】

Following paper(s) was/were submitted with the doctoral dissertation for doctoral dissertation defense.

Ex) T. Yamaguchi, H. Yamada, "Complete development of mosquito phases of Mariah Carey in vitro"

Journal of Science and Technology, 38, 6989-6997 (2002)

<http://dx.doi.org/10.1021/joxxxx>

* Authors, Subject of reference paper, Journal title, Volume, Page-Page , Year, DOI links
