Description of Dissertation Summary

Student Number	
Name (handwritten)	

Composition of Doctoral Dissertation and Type of Summary

Total number of pages	Pages
Type of Summary	<input type="checkbox"/> Online publication of Summary organized by the following chart <input type="checkbox"/> Submitting Dissertation Abstract as Summary. Acceptable only when applying to defer full-text online publication with the form 1

Composition of Summary

(In case of submitting the dissertation abstract as a summary, please write "ALL" under "Chapter Number", and write the total number of dissertation pages under the "Original Dissertation Page".)

Chapter Number	Original Dissertation Page	Type of Publication	Reasons for Deferment or Exemption of full-text publication
	~		
	~		
	~		
	~		
	~		
	~		
	~		
	~		
	~		
Total number of PDF summary pages	Pages (No matter what type of summary an applicant chooses, please write the total number of PDF summary pages.)		

Reasons for submitting the dissertation abstract as a summary

(Please check the appropriate box which explains the reason. If you choose the "other reasons", describe the details.)

<input type="checkbox"/> This is because there will obviously be no problem to do full-text online publication in two years since the above reason will be overcome by that time. <input type="checkbox"/> It is due to other reasons.

Supplemental Explanation to make a summary based on the composition above
