

Attachment 2

When submitting a doctoral dissertation in an electronic medium, follow the instructions below.

1. Electronic File

An electronic file is an original dissertation, but it is required to have the entire text in one digital data which can be easily printed out at once.

The dissertation should be composed of a front cover, a front page, an index and the main text. At the end of the main text, make a colophon which includes dissertation title, author's name and date of submission.

2. Front Cover and Front Page

The front cover and front page should be shown as the next page, "Book Form Dissertation".

3. Main Text

In the main text, add page numbers.

4. Colophon

In the colophon, indicate all the necessary information as follows:

Doctoral Dissertation, Kobe University

***** (Dissertation Title) ***** ”, xxx pages

Submitted on Month, Day, 20xx

When published on the Kobe University institutional repository */Kernel/*, the publication date shall appear on the cover of the repository version.

© Author's name (Full name)
All Right Reserved, 20xx

【In case of submitting reference research papers, following list must be added. 】

Following paper(s) was/were submitted with the doctoral dissertation for doctoral dissertation defense.

Ex) T. Yamaguchi, H. Yamada, "Complete development of mosquito phases of *Mariah Carey* in vitro"
Journal of Science and Technology, 38, 6989-6997 (2002)
<http://dx.doi.org/10.1021/joxxxxx>

* Authors, Subject of reference paper, Journal title, Volume, Page-Page, Year, DOI links

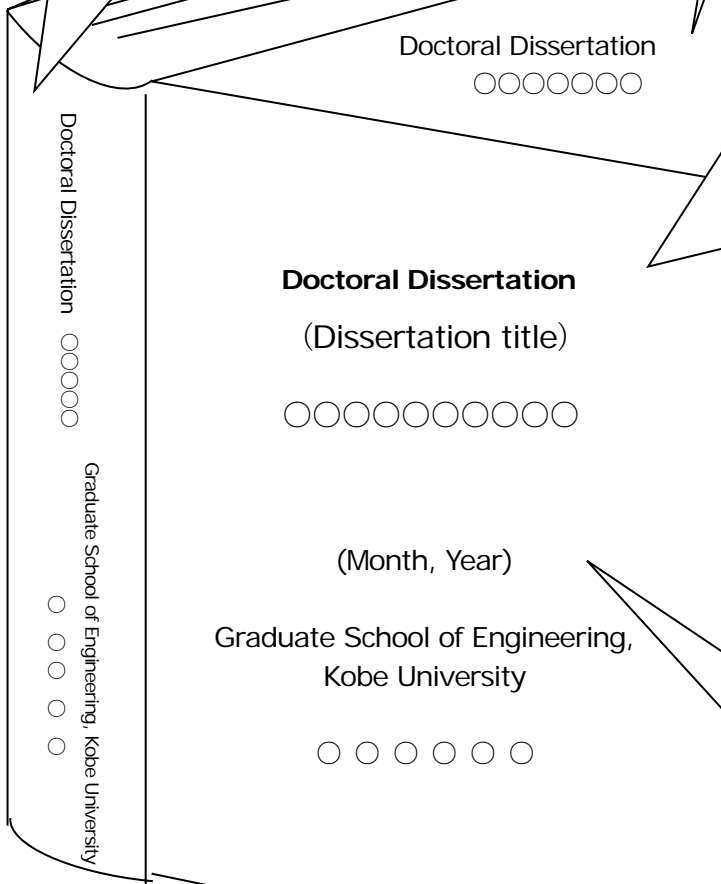

Book Form Dissertation :

The content in a book form dissertation must be exactly the same as the one in a CD-R version.

【Spine】
 “Doctoral Dissertation”
 Dissertation Title
 Name of Graduate School
 Name of Author
 must be directly printed on the spine.
 No need to have Japanese Translation on the spine.

【Front page】 (Not required in a PDF version)
 “Doctoral Dissertation”
 Dissertation Title
 (and Japanese Translation of the title)
 Month & Year of dissertation submission,
 Name of the Graduate School
 Name of Author
 must be directly printed on the front page.
 In a case where the dissertation is written in English, be sure to write Japanese translation of the dissertation title as well.

【Front cover】
 “Doctoral Dissertation”
 Dissertation Title
 (and Japanese Translation of the title)
 Month & Year of dissertation submission
 Name of the graduate school
 Name of Author
 must be directly printed on the front cover.
 In a case where the dissertation is written in English, be sure to write Japanese translation of the dissertation title as well.

The month and year written on the cover shall be the month and year in which you submit the dissertation for the review.
 Example:
 If graduating in March, “**January** 20XX” shall be on the cover.
 If graduating in September, “**July** 20XX”.
