Reference Research Papers

- *1. You may submit a reference research paper which is complementary with the doctoral dissertation and indivisible to have your dissertation reviewed. (It is preferable to have your doctoral dissertation reviewed without such paper.)
- *2. [Preliminary Review] When submitting a reference research paper, follow the instructions of your academic supervisor (or a professor who accepts your preliminary review request).
- *3. [Dissertation Review] When submitting a reference research paper, write both its title and the number of volumes as described above, and submit the number of copies equivalent to the number of copies of the dissertation. (The reference research paper will also be sent to Kobe University Library and other institutions. Make sure to staple all the documents together.)
- *4. [Dissertation Review] In a case where you wish to submit research papers to the Review Committee members for reference, but they do not need to be sent to Kobe University Library or any other institutions, please write "No reference research papers" on a "Dissertation Bibliography" and submit a number of copies equivalent to the number of the Review Committee members. (If there is more than one reference research paper, clip the papers together for each Review Committee member.)

Notes:

- [1] An additional page may be used if necessary. If there is more than one page, please staple all the pages together in the upper left corner.
- [2] Use A4 paper.
- [3] If there is more than one author of a published paper, indicate a few of the names, including the name of the applicant, and write "et al."
- [4] The data on this form should be same as "Dissertation Draft Preliminary Review Request" (when applying Dissertation Draft Preliminary Review), or "Dissertation Review Request" and "Curriculum Vitae" (when applying Dissertation Review).
